Subject: April news from the Fringe Tatters

Hi Everyone here are a few updates since the last e-news.

Fringe Element Tat Weekend 2010

Can't wait for September 24 & 25 in Cambridge to attend the Fringe Element Tatters "Fall Into Tatting" weekend?

Please check www.FringeTatters.ca/tat-days/ to read all about the wonderful classes and teachers coming this year. Download your copy of the form and check off your class choices and send it with payment before September 10 to Ruth.

Note: The registration form is now posted on our website and is not being sent in a separate e-mail as in the past.

We really hope to see you there to help us celebrate our 5th year.

Tat Weekend in Lodi

The weekend of April 10 and 11, several Fringe members attended the Finger Lakes Tatting Group weekend in Lodi, New York (formerly Hector). What a fabulous weekend of learning with inspirational ideas and great teachers. Meeting and making friends is always a highlight of the weekend. The vendors had many good things to tempt us and the food was fabulous. People came from all over - even driving in from Oklahoma and Rhode Island this year!

Upcoming Events

A Tat 'n Chat is organized for Saturday June 12, 2010 in the Toronto area (just east of the DVP/404 and Sheppard Ave, and accessible by public transit.)

The tatting fun starts at 10:00 am.

Bring what you are currently working on or your UFO's. Also bring your lunch.

If you are interested in attending, please contact us at FringeTatters@gmail.com for more details. Please include the phrase "June 2010 Tat 'n Chat" in your subject line.

The Palmetto Tatters have announced the teacher line-up for their event in Toccoa, Georgia on August 27 & 28. For information see: www.PalmettoTatters.org

Library

A wonderful contribution of tatting books and newsletters have been received by the Fringe Library in memory of Lori Ludman (who passed away last year). Her sister Berta was kind enough to think of the group and send us these items so that they can be enjoyed by others.

Newsletters

Thank you for all the positive feedback on our e-newsletters!

We have had requests from people with dial-up to eliminate large attachments that can cause download problems. So instead of attachments, we will give you links to the information on the website.

That's all for now but we do really appreciate your input and suggestions. Please feel free to contact us any time. And please feel free to share the news with other tatting friends.

The Fringe
